

## **Decentralized Distributed Generation:**

Decentralized Distributed Generation projects can be from conventional or renewable sources such as Biomass, Biofuels, Biogas, Mini hydro, solar etc for villages where grid connectivity is either not feasible or not cost effective.

Under DDG scheme of RGGVY, 90% of the project cost is provided as capital subsidy by the Government All un-electrified revenue villages and hamlets (above 100 population) are eligible under DDG scheme of RGGVY. Identification of eligible villages shall be done by SREDAs in consultation with state utilities SC/ST Development Corporation and MNRE.
