NOTIFICATION

Availing Land on lease basis to set up Solar Parks on behalf of Government of India's Ministry of New and Renewable Energy (MNRE) and Solar Energy Corporation of India Limited (SECI)

In coordination with M/s. Karnataka Solar Power Development Corporation Limited (KSPDCL), a Joint Venture Company of M/s. Karnataka Renewable Energy Development Limited (KREDL), a Government of Karnataka Undertaking and M/s. Solar Energy Corporation of India Limited (SECI), a Government of India Undertaking, it is proposed to set up **Ultra Mega Renewable Energy Power Parks (UMREPP) of 2500 MW Capacity** each in the following 3 districts on behalf of Government of India's Ministry of New and Renewable Energy (MNRE) and Solar Energy Corporation of India Limited (SECI) as per the Pavagada Solar Park model.

1. Bidar 2. Gadag 3. Koppala

To set up Solar Parks in the above 3 districts, land to the extent of 12500 acres in each district is required. It is proposed to avail the land on annual lease basis for a period of 28 years. The annual lease rent will be determined on per acre area.

The interested land owners of the above districts, willing to provide land, minimum of 1000 acres at one place/stretch are requested to submit their consent with relevant land details to this office within **18.11.2019**.

The Managing Director, KREDL and the Chief Executive Officer, KSPDCL are the final authorities for selection of the suitable land for the said projects.

For further information about this notification, you may contact **080-22282220**.
