The Chartered Accountant with seal**

## Eligibility conditions

The government has prescribed the following eligibility conditions for allotment of capacity for development of RE projects in the state.

1. The applicant must familiarise himself with the site where he desires to develop the RE project and must have investigated (either by himself or by engaging an expert) the feasibility of setting up a project.
2. The applicant shall submit a feasibility report prepared as per KREDL's specification based on scientifically conducted survey and factual data obtained from recognised sources. Source of data must be quoted and may be subjected to such verification as deemed fit by KREDL to establish authenticity and correctness of the data.
3. Copies of documents submitted are to be duly signed by a Gazetted Officer.
4. The applicant must demonstrate his ability to raise a minimum of **30%** of the project cost as promoter's equity. This capacity must be demonstrated by production of a statement of net worth issued by a banker or a certified Chartered Accountant as per the prescribed format.
5. An application fee of Rs.10,000/- per MW (non-refundable) shall be paid through Demand Draft drawn in favour of Managing Director, KREDL payable at Bangalore along with the application.
6. KREDL will not reimburse any part of the expenditure incurred by the applicant on the investigation or survey or any pre-operative expenses what so ever. KREDL shall also not be obliged to render any assistance to the applicant in procuring data from any source either public or private. The applicant shall make his own effort to procure such data.
7. The Developer shall furnish the type of land required for the project with Survey numbers marked in the Village map.
8. The capacity indicated in respect of allotted projects is only indicative. The developer has to ascertain the exact capacity by carrying out the necessary studies at his own cost by engaging experts. Data available with various departments may be used. However any charges levied by such agencies for the data will have to be paid by the applicant directly to the concerned.
9. If it becomes clear that the applicant has obtained capacity allotment on the basis of misrepresentation of facts, than the allocation of capacity shall become ab-initio-null and void. KREDL may take any other action as per law for such misrepresentation besides declaring the capacity allotted.
10. The allottee shall prepare and submit a DPR to KREDL. The developer shall obtain all the statutory clearances from departments such as Irrigation, Environment and Forests, Pollution Control, KPTCL/ESCOMS etc., and submit monthly progress report to KREDL. The time limit for the implementation of the project and it shall be:

### 11. A. For Cogeneration Project:

a. Obtaining Statutory clearances from other related departments	: 6 Months
b. Approval to DPR & Technical Clearances	: 2 Months
c. Financial Closure	: 3 Months
d. Project implementation	: 10 Months
e. CEI Approval, Synchronisation Approval	: 3 Months

KREDL shall scrutinize the DPR and may grant technical approval to the project subject to incorporation of such changes as may be technically required in order to adhere to safety requirements. In case of incomplete or unsatisfactorily prepared DPR, KREDL may reject it in spite of the fact that other authorities such as Irrigation, Environment & Forests, Pollution Control, KPTCL / ESCOMs etc. have granted clearances from their respective angles and require the developer to resubmit it after carrying out the desired changes or modifications.

12. The allottee shall take action to complete the project implementation within 24 months. This shall include the time required for tendering, evaluation of bids and placing orders for various items.
13. The transfer of Capacity allocation will be considered as per the GOVT Order No. EN 392 NCE 2008 Dated 13-10-2009 and transfer will be considered only after submission of DPR.
14. The power to cancel a RE allotted project to a developer shall vest with the Government.

## **List of Documents to be submitted duly Notarised / Attested.**

1. Application format (KREDL).
2. Cane Area Allotment with Govt. Sanction Letter (KUM/Dept. of Commerce & Sugar) if bagasse based cogen or Single Window clearance for the project if any.
3. Detailed Project Report.
4. Geographical Co – ordinations i.e., Latitude & Longitude readings in (Degree Minutes and Seconds) duly marking on Coloured Topo sheet.
5. Company's Net worth Certificate as per the GO No: **EN 240 NCE2011, Bangalore, dated 30-05-2011.**
6. Last 3 years Company's Financial Transactions.
7. Company's AOA/MOA given by ROC / MCA with list of Directors.
8. Affidavit on non – judicial 100/- Stamp Paper for submitting the documents duly authorizing the representative if any. (Format Enclosed)
9. Any other documents/information if required.
