Expression of Interest(EOI)

Sub: Sale of energy generated from proposed 1 MWac capacity Floating Solar Power Project at Shri Sharanabasweshwara Lake (Appankere Lake), Kalaburagi taluk and district on pilot mode.

Karnataka Renewable Energy Development Limited (KREDL) has proposed to develop a Floating Solar Power project of 1 MWac capacity at Shri. Sharanabasweshwara Lake (Appankere Lake), Kalaburagi taluk and district on pilot mode. It is expected that around 2 million units of energy will be generated on annual basis. It is to highlight that, the cost of generation is estimated to be about Rs 5 per kWh. (other than open access charges). The project is expected to be commissioned by December 2021.

It is proposed to sell the energy generated from the project to the interested Govt/Private Commercial & Industrial (C&I) consumers who are having sanction load more than 1 MW under open access route.

In this regard, the interested consumers can send their EOI for buying the power from the proposed project through open access mechanism on or before 23.04.2021 along with a following details.

Sl no	Particulars	Details
1	Name of the consumer	
2	address	
3	Contact details	
4	Sanction Load (more than or equal to 1MW)	
5	Present ESCOM Tariff Rs/kWh (landed cost)	
6	Voltage level	
7	Type of connection (EHT/LT)	
8	Indicative landed tariff for buying the power from above referred project (Rs/kWh)*	
9	Enclose last 3 months electricity bill	

*including open access charges

Based on the above, KREDL may invite e-tender for the sale of energy under competitive mode to the prospective consumers.
